

PRACTICE POLICIES

PATIENT CONFIDENTIALITY

The Practice recognises the right of every patient to have information about themselves kept secure and private. Any information given to any member of staff will remain confidential and will not normally be disclosed without the patient's permission.

Full details of our Confidentiality Policy (including details of those persons/organisations who may have access to patient information) are available from Reception.

FREEDOM OF INFORMATION ACT

The Freedom of Information Act 2000 gives the public a right of access to all types of information held by Public Authorities, including the Health Service.

As required by the Act, Crickhowell Group Practice maintains a Publication Scheme, which is a guide to the classes of information we intend to routinely make available.

Please ask at reception if you require a copy of the Publication Scheme. Please note there will be a small charge for any information provided under the Act.

COMPLAINTS PROCEDURE

The doctors and staff aim to offer a high standard of service to our patients and hope you will never have cause for serious complaint. If, however, there are occasions where you feel you need to make a complaint, please contact the Practice Manager or their deputy. If you would like a copy of our Practice Complaints Procedure, please ask at Reception.

VIOLENCE & ABUSIVE BEHAVIOUR

For patients visiting and staff working at the Health Centre we aim to provide a safe, comfortable and welcoming environment. If any patient feels they have been treated unfairly or inappropriately, they should ask to speak to the Practice Manager.

However, violence (including shouting or swearing) directed at other patients or Practice staff will not be tolerated under any circumstances. Offenders will be asked to leave the building immediately and may also be removed from the Practice List.

SMOKING

None of the doctors or nurses in this Practice smoke. They believe that smoking causes illnesses and death.

IF YOU SMOKE WE STRONGLY ADVISE YOU TO STOP

See the nurse if you would like help, advice or a prescription for nicotine replacement. Please note there is a strict no-smoking policy throughout the Health Centre premises.

HOW TO REGISTER AS A PATIENT

If you have moved into our Practice area, you can register as a patient by completing a New Patient Registration Form, supplies of which are available from the Reception Desk.

All newly-registered patients are encouraged to participate in a New Patient Health Check.

RIGHTS & RESPONSIBILITIES

We aim to provide the best possible service to our patients and hope you will feel that we achieve that aim.

The care of your health is a partnership between yourself and the Primary Health Care Team. The success of that partnership depends on an understanding of each other's needs and co-operation between us.

OUR RESPONSIBILITY TO YOU:

- ❖ You will be greeted courteously.
- ❖ You have a right to confidentiality.
- ❖ You have the right to see your medical records subject to the limitations of the law.
- ❖ You will be seen the same day if your problem is urgent.
- ❖ You will be informed if there will be a delay of more than 20 minutes for your appointment.
- ❖ You will be referred to a consultant when you and your GP agree that it is necessary.
- ❖ You will be given the result of any test or investigation on request or at your next appointment.
- ❖ Your repeat prescription will be ready for collection within 48 hours of your request.
- ❖ Your suggestions and comments about the services offered will be considered sympathetically and any complaint dealt with quickly.

YOUR RESPONSIBILITY TO US:

- ❖ Do not ask for information about anyone other than yourself.
- ❖ Please treat all surgery staff with courtesy. Remember they are working under doctors' orders.
- ❖ Tell us of any change of name or address, so that our records are accurate.
- ❖ Only request an urgent appointment if appropriate. Home visits should only be requested if you are really too ill to attend surgery.
- ❖ Please attend appointments on time or give the Practice adequate notice if you wish to cancel. Someone else could use your appointment.
- ❖ An appointment is for one person only - where another member of the family needs to be seen or discussed, another appointment should be made.
- ❖ Please allow sufficient time for your consultant's letter or the results of any tests to reach us.
- ❖ Use the tear off slip to request your repeat prescription whenever possible. Please attend for review, when asked, before your next prescription is due.

You can help us by letting us know when you are not happy with the services we provide or if you have useful comments about how they can be improved.

A suggestion box is available for your contributions to improving our service.

RECEPTIONISTS/ADMINISTRATION STAFF

Reception staff have a very difficult job to do and are here to help you. Sometimes they have to ask questions, which you may think are unnecessary or intrusive. Please remember, however, that they are working to guidelines laid down by the doctors, and they only ask these questions to ensure you receive the most appropriate care.

ASSOCIATED STAFF

The following professionals also work from the main surgery, usually by appointment only:-

District Nurses · Podiatrist · Health Visitor · Physiotherapist
Midwives · Occupational Therapist ·
Social Services · Community Psychiatric Nurses

VISITING STAFF

These professionals are also available, by appointment only, at the main surgery.

Speech Therapist · Powys Drugs and Alcohol · Counsellors ·
Psychologists · Walkways (Youth Counselling) ·
Psychiatrists

PRACTICE SERVICES

When you phone the main surgery number, **01873 810255**, in normal surgery hours, you will be greeted by a recorded message asking you to choose from 1 of 3 options:

TELEPHONE SYSTEM

Press No. 1For Appointments

Press No. 2For the District Nurses

Press No. 3 For Dispensary

Press No. 4 For Test Results

This system has improved the efficiency of our switchboard operation, allowing patients to access more quickly the appropriate departments within the surgery. Between 18:30 to 8:00 (and all day on weekends and Bank and Public Holidays) you will hear a recorded message giving you the number to call for the Out of Hours service.

Please note there is also a direct dial number for the Appointments line, **01873 813200**, and this is open from 8:30 to 18:00 (Monday to Friday only).

N.B. Outside the branch surgery opening times, calls are automatically diverted to the main surgery switchboard.

BOOKING APPOINTMENTS

Consultations with the doctors and nursing staff are by appointment only. Appointments can be made by telephone or at the reception desk Monday to Friday 8:30 to 18:00.

Every effort will be made to offer you an appointment at your convenience and with the doctor of your choice but, due to the varying hours worked by the individual doctors, this is often not possible. If, of course, you feel that your problem is urgent and you need to be seen the same day, the receptionist will fit you in as an “extra” at the end of the doctor’s clinic. Please do not abuse this system as the “extra slots” are there to accommodate patients with genuinely urgent needs. As appointments are held on our computer system, please report to the reception desk or use the automated arrivals touch screen check-in system in reception on arrival so that the doctor or nurse knows that you have arrived. Please ensure you arrive in time for your scheduled appointment. If you are unable to keep your appointment, please let us know as soon as possible as appointments are in great demand and another patient could be seen in your place.

On certain days of the week the Crickhowell Practice operates a triage system, on these days the receptionist will request brief details of your problem, you will then be called back by a GP or nurse, who will assess your need for medical care and decide the most appropriate action. This is in line with the prudent health care principles of NHS Wales; making the most effective use of available resources to ensure high quality and consistent health care across Wales.

MY HEALTH ONLINE

My Health Online is a new online service brought to you from NHS Wales and offers patients the convenience to book appointments, order repeat prescriptions and update personal details including changes to address, email address and mobile telephone numbers.

If you wish to register to use the My Health On Line please refer to our website or call the Surgery to request a My Health Online Account Form. Proof of Identity is necessary to protect patient confidentiality. Identification documents should confirm your full name, residential address and date of birth. Ideally this will include photo ID such as a passport or new style driving licence and an appropriate household bill. For further information visit the My Health Online website at:
<https://www.myhealthonline-emisweb.wales.nhs.uk/>

HOME VISITS

Patients requiring to see the doctor urgently, who are too ill or frail to visit the surgery, should phone our main Practice number, **01873 810255**, to request a home visit. We ask that you call as soon as possible after 9:00 and give the receptionist a brief idea of the problem so that we can prioritise the visits. *Please note that this service is not intended for patients who are well enough to attend the surgery but simply have transport difficulties.*

DISPENSARY

The practice dispensary is based at the Health Centre in Crickhowell and this service is available to all our patients who live more than a mile from the centre of Crickhowell and who are deemed (by the Welsh Assembly) to be in a rural area.

The dispensary opening hours are currently 9:00 to 17:30 Monday to Friday. If, however, you have an appointment with one of the doctors after the dispensary has been closed and the doctor prescribes medication for you, he/she will be able to dispense the medication if we have it in stock.

Similarly, if your medication has been prepared but you have been unable to collect it before the dispensary closing time, one of our receptionists will be able to get it for you.

NB. If you live in Llangynidr or surrounding area, you can sign up for our Dispensing delivery service, which allows patients to collect their medication from the Walnut Tree Stores in Llangynidr.

If you would like to take advantage of our dispensing service, you will need to complete a registration form, please call the Dispensary on **01873 813226** to request one.

REPEAT PRESCRIPTIONS

If you are on regular medication you may obtain a repeat prescription without having to see the doctor every time. To obtain repeat medication please indicate clearly on your repeat prescription slip what is required and then either post it to us or drop it into the box at the reception desk. Alternatively, you can use the **My Health Online** system to request a repeat prescription.

INVESTIGATION/TEST RESULTS

Following any investigations or tests, if you have been asked by the doctor or nurse to phone for your results, please phone after 10:00 unless, in the case of some INR results, you have been asked to phone on the evening of the same day that the test was carried out. Some test results can take from 4 to 7 days to come back.

IDENTIFICATION OF CARERS

Do you look after someone who is ill, frail, disabled or mentally ill? We are interested in identifying all carers, especially those people who may be caring without help or support. As a carer you are entitled to have your needs assessed by Powys Social Services (or Gwent Social Services if you are one of our Gilwern patients). If you are a carer, please ask at Reception for a Carers’ Identification and Referral Form.

OTHER HEALTH CHECKS

Health checks are also available to:

- ❖ Patients between the age of 16 and 74 who have not attended a consultation/clinic provided by the Practice in the last 3 years.
- ❖ Patients over 75 who have not participated in a consultation in the last 12 months.

SPECIAL SERVICES

In addition to general consultations, the following services are also provided:

- ❖ Child health and immunisation
- ❖ Baby clinic
- ❖ Maternity care (provided by Community Midwives)
- ❖ Contraception
- ❖ Well Person checks
- ❖ Minor surgery & Minor injuries
- ❖ Adult immunisation
- ❖ Health Promotion
- ❖ Chronic Disease management (diabetes, asthma, coronary heart disease etc)
- ❖ Podiatry
- ❖ Stop smoking Wales
- ❖ Memory Clinic.
- ❖ MIND (Active Monitoring)

PRACTICE OPENING HOURS

The Health Centre doors are open Monday to Friday 8:30 to 18:00 (excluding Bank and Public Holidays). Patients will be able to contact a doctor from 8:00 to 18:30 on these days and, if the doctor feels it is necessary, gain access to the premises between 8:00 and 8:30 and between 18:00 and 18:30.

A summary of our surgery times, by appointment only, is as follows:-

WHEN WE ARE CLOSED

If you need to contact a doctor outside Practice opening hours either:

- ❖ Telephone the Shropdoc on **0333 222 6655**
- ❖ Or, telephone the surgery number where you will be able to transfer to the Out Of Hours Service

Please remember that if it is an emergency you should telephone 999 without delay, e.g.

- ❖ if someone is unconscious or has difficulty in breathing.
- ❖ if someone is bleeding heavily.
- ❖ if someone has a suspected heart attack or has severe chest pains.

If you contact the Out of Hours service, brief details of your problem will be taken and you will then be called back by a qualified doctor or nurse, who will assess your need for medical care. The result of this assessment could be:

- ❖ You will be given advice over the telephone and there won’t be a need for you to see a doctor.
- ❖ You may be given an appointment to see a doctor at a Primary Care Centre. Our patients will normally be given a choice of attending at either Nevill Hall Hospital or Brecon War Memorial Hospital.
- ❖ You may receive a home visit, depending on your medical condition.
- ❖ You may be advised to attend either the Accident & Emergency Department or the Minor Injury Unit at either of the hospitals mentioned above.
- ❖ If the doctor or nurse considers your need to be an emergency, they may arrange for an ambulance to collect you.

Out-of-hours services are generally busy so please think carefully before asking to see a doctor and only do so if you genuinely cannot wait until the surgery re-opens.

ACCESS & CAR PARKING

At our main surgery, all areas to which patients need access are on the ground floor and we have disabled toilet facilities as well as an access ramp leading to the “push-button” electronically operated main entrance doors.

We have a patients’ car park at both the main and branch surgeries, located at the front of the building. Please be aware that vehicles are parked at the owners’ risk. We ask patients not to use the staff car park (in Crickhowell), which is at the rear of the building.
